

# NOTICE OF A PROPOSAL by Zephyr Farms Limited to Engage in a Renewable Energy Project

**Project Name:** BROOKE-ALVINSTON WIND FARM

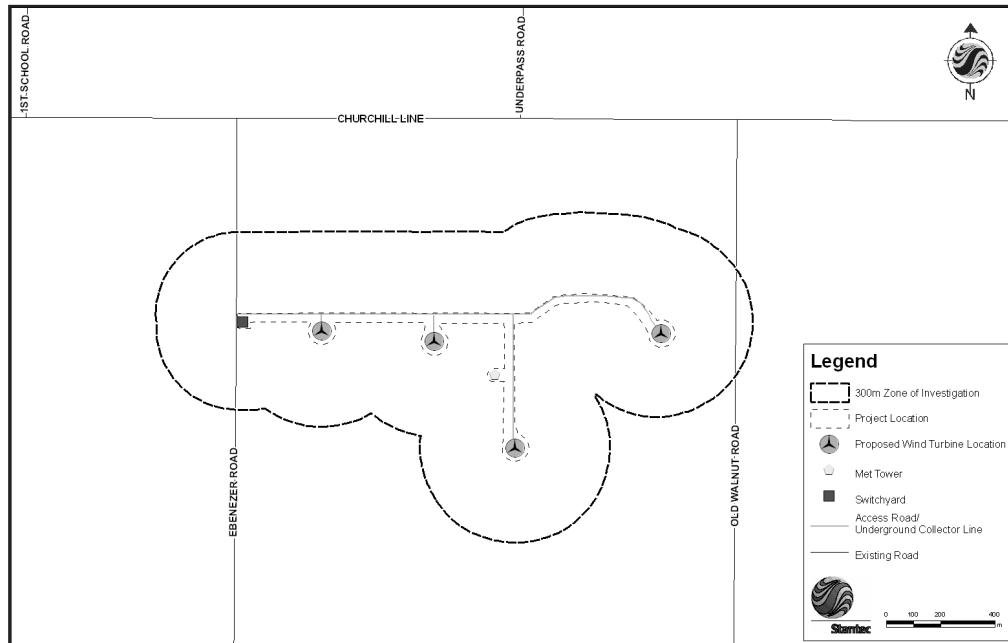

**Project Location:** The Project will be located in the Township of Brooke-Alvinston, Lambton County, Ontario.

**Dated At:** The Township of Brooke-Alvinston this the 15th of June, 2011.

Zephyr Farms Limited is planning to engage in this renewable energy project in respect of which the issuance of a Renewable Energy Approval is required. The proposal to engage in the project and the project itself are subject to the provisions of the Environmental Protection Act of Ontario (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice is being distributed in accordance with section 15.1 of the Regulation following posting of the project on the Environmental Registry.

**Project Description and Documents for Public Inspection:**

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged in, is considered to be a Class 4 wind facility. If approved, this facility would have a total maximum contract name plate capacity of 10 MW. The project location in the Township of Brooke-Alvinston, Lambton County, is provided in the map below.

**Environmental Bill of Rights 1993:**

A proposal for a Renewable Energy Approval in respect of the renewable energy project has been posted on the Environmental Registry ([www.ebr.gov.on.ca](http://www.ebr.gov.on.ca); Registry Number: 011-3779). Comments in respect of the proposal may be submitted to the Director.

**Documents for Public Inspection:**

The applicant has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation. Written copies of the supporting documents have been made available for public inspection on May 18, 2011 at: [www.oneworldenergy.com](http://www.oneworldenergy.com)

**Noise Impact Assessment:**

The Ministry of the Environment (MOE) is aware that a Noise Impact Assessment was prepared for the Brooke-Alvinston Wind Farm for the final public meeting held February 17, 2011; however it was not one of the supporting documents released 60 days in advance of the meeting. This, and other supporting documents, are available on the website of Zephyr Farms Limited for review. MOE is posting the Instrument Proposal Notice on the Environmental Registry for an extended 60 day comment period for the public to review and provide comment and input directly to the Ministry on this project.
